FEATURES & TRAITS

Channel Essence

As a Magic action, you can drain life energy from a willing creature, or one that has the Grappled, Incapacitated, or Restrained condition. The target must succeed on a Constitution saving throw (DC 8 plus your Constitution modifier and Proficiency Bonus) or take Necrotic damage equal to 1d6 plus your Constitution modifier. You gain Temporary Hit Points equal to the Necrotic damage taken.

Echolocation

You have Blindsight with a range of 10 feet. You can't use this Blindsight if you have the Deafened condition or if you can't speak.

Flight

Because of your wings, you have a Fly Speed equal to your Speed. You can't use this Fly Speed if you're wearing Medium or Heavy armor.

Eyes of Night

You can see through the deepest gloom. You have darkvision out to a range of 300 feet. In that radius, you can see in dim light as if it were bright light and in darkness as if it were dim light. As an action, you can magically share the darkvision of this feature with willing creatures you can see within 10 feet of you, up to a number of creatures equal to your Wisdom modifier (minimum of one creature). The shared darkvision lasts for 1 hour. Once you share it, you can't do so again until you finish a long rest, unless you expend a spell slot of any level to share it again.

Vigilant Blessing

The night has taught you to be vigilant. As an action, you give one creature you touch (including possibly yourself) advantage on the next initiative roll the creature makes. This benefit ends immediately after the roll or if you use this feature again.

Channel Divinity: Turn Undead

As an action, you present your holy symbol and speak a prayer censuring the undead. Each undead that can see or hear you within 30 feet of you must make a Wisdom saving throw. If the creature fails its saving throw, it is turned for 1 minute or until it takes any damage. A turned creature must spend its turns trying to move as far away from you as it can, and it can't willingly move to a space within 30 feet of you. It also can't take reactions. For its action, it can use only the Dash action or try to escape from an effect that prevents it from moving. If there's nowhere to move, the creature can use the Dodge action.

Channel Divinity: Twilight Sanctuary

You can use your Channel Divinity to refresh your allies with soothing twilight. As an action, you present your holy symbol, and a sphere of twilight emanates from you. The sphere is centered on you, has a 30-foot radius, and is filled with dim light. The sphere moves with you, and it lasts for 1 minute or until you are incapacitated or die. Whenever a creature (including you) ends its turn in the sphere, you can grant that creature one of these benefits: - You grant it temporary hit points equal to 1d6 plus your cleric level. - You end one effect on it causing it to be charmed or frightened.

Destroy Undead (CR 1/2)

Starting at 5th level, when an undead of CR 1/2 or lower fails its saving throw against your Turn Undead feature, the creature is instantly destroyed.

When the Cylinder appears, each creature in it makes a Constitution saving throw. On a failed save, a creature takes 2d10 Radiant damage, and if the creature is shape-shifted (as a result of the Polymorph spell, for example), it reverts to its true form and can't shape-shift until it leaves the Cylinder. On a successful save, a creature takes half as much damage only. A creature also makes this save when the spell's area moves into its space and when it enters the spell's area or ends its turn there. If you are evil, they appear fiendish. When you cast this spell, you can designate creatures to be unaffected by it. Any other creature's Speed is halved in the Emanation, and whenever the Emanation enters a creature's space and whenever a creature enters the Emanation or ends its turn there, the creature must make a Wisdom saving throw. On a failed save, the creature takes 3d8 Radiant damage (if you are good or neutral) or 3d8 Necrotic damage (if you are evil). On a successful save, the creature takes half as much damage. A creature makes this save only once per turn.

Casting Time: 1 minute or Ritual

Range: Self

Target:

Components: V S M

Duration: 8 hours

Description:

A 10-foot Emanation springs into existence around you and remains stationary for the duration. The spell fails when you cast it if the Emanation isn't big enough to fully encapsulate all creatures in its area. Creatures and objects within the Emanation when you cast the spell can move through it freely. All other creatures and objects are barred from passing through it. Spells of level 3 or lower can't be cast through it, and the effects of such spells can't extend into it. The atmosphere inside the Emanation is comfortable and dry, regardless of the weather outside. Until the spell ends, you can command the interior to have Dim Light or Darkness (no action required). The Emanation is opaque from the outside and of any color you choose, but it's transparent from the inside. The spell ends early if you leave the Emanation or if you cast it again.
